The Archpriest of Ekateri ne Cloister  
Georgia

Most Rev. Archpriest,

It is with great pleasure that myself and the Magistral Council of the Order of the Holy Sepulchre accept your kind offer to visit your historical Christian Country of Georgia. We are looking forward to meet with His Beatitude the Patriarch of all Georgia and humbly ask for His blessing, so that God will help us establish our Dynastic Order as soon as possible in his Patriarcate so that we can fulfill our aims which are Ecumenism, Culture and Philantropy.

We feel very grateful to our mutual friend George - God bless him - for making possible this great occasion.

Asking for your blessing, may we remain  
Yours in Christ

Chev. Count Carmel Sandro Calleja  
VICAR GRNND MASTER O.S.S.
